Dear Veteran Services Officers,

It has come to our attention that you, as a representative of your city or town, may have received an Invoice for foods supplied for your resident-veterans by Veterans Northeast Outreach Center and Massachusetts Military Support Foundation.

Massachusetts Military Support Foundation did not, nor would it, approve of invoicing cities and towns to help provide foods to its veterans. We do not charge for Vital Meal Kits, USDA Farmer's to Families Food Boxes, or any foods that we source as an organization. We are supported by philanthropic organizations and individuals.

Our mission is to provide programs, services and goods that help satisfy critical needs and enhance the well-being and quality of life for Massachusetts Veterans, active-duty Military, National Guard, Coast Guard, and their families. All programs and services are provided at no cost to veterans and military personnel.

We value our partnerships with all Veteran Services Officers and appreciate the opportunity to work with each of you to enrich the lives of local veterans. Please contact me directly if you have additional questions regarding this issue.

Thank you.

Sincerely,

Don Cox
President, Massachusetts Military Support Foundation
