## **PERRY WELCOMES QUESTIONS FROM METHUEN VOTERS**

Methuen, MA, October 29 – I continue to be appalled by the misleading and uninformed statements made by my opponent and her supporters. Today's press release by Councilor Jennifer Kannan's campaign is nothing more than a desperate attempt to rescue her campaign as next Tuesday's election draws near.

I have been honest and upfront about my life, including my divorce and the fight for custody of my children, which was and remains a personal matter. I will continue to be honest with the people of this city and run a clean and factual campaign that best serves the residents of Methuen. I have not ever been accused, nor disciplined for any misconduct in my professional life, and I maintain a Secret level security clearance, which would not be the case if any of the unfounded rumors were true.

Since I'm happy to respond to any and all questions from any person in the City of Methuen about this or any of the countless important issues to our City, **I'd like to invite everyone to attend one of my Open Town Meetings – either tonight – October 29th – at 6:00 PM at Comfort Home Care Conference Room, 147 Pelham St or next Monday, November 4th at 6:00 PM at the Merrimack Golf Club.**
